SILVER - RIGHTS AWARE

There was a strong sense of inclusion and students said that they are supported to be themselves and to celebrate diversity. Students spoke about their celebration for Pride Month, "Some staff made rainbow cupcakes and all the money went to charities that support LGBT issues," and one student saying, "If we strive for equality, in future generations there will be world where no one is discriminated against."

Absence Procedures

To report a student absence please email:
attendance@basildonacademies.org.uk

- Parents/carers should contact the school by 8.30am each day their child is absent.
- If no reason has been received for a child's absence, the Academy will initiate first day calling.
- Parents/carers must provide medical evidence to support all absences due to illness or medical appointments.
- Wherever possible parents/carers should make appointments outside of school hours but if this is unavoidable students should attend school before and after the appointment.
- If no appropriate medical evidence is provided then the Academies cannot authorise an absence. (ie. medical appointment card, prescription, doctor's letter.)

Spotlight on: Hospitality

The hospitality industry contributes billions of pounds each year to the UK economy. The industry employs more than 3 million people and is the fourth largest sector in the UK in terms of employment. It offers various career paths in a range of areas, including management, operations and self-employment. The hospitality sector is made up of a variety of different sub-sectors such as hotels, restaurants, event management and catering.

BTEC Level 3 qualifications in hospitality give learners the opportunity to make progress in the sector, whether their chosen route is employment, an apprenticeship or university.
