Leadership Message - Strengthening Our Partnership for Student Success

Following our previous message about Enhanced Provisions, I want to take a moment to reaffirm our ongoing commitment to ensuring that students at the Basildon Academies receive the support, encouragement, and opportunities they need to flourish.

Over the past term, we have continued to see the positive impact of our inclusive approach and the dedication of our staff across all areas of the school. Our Enhanced Provisions remain a vital part of this work, offering a safe, structured, and nurturing environment for students with social, emotional and mental health (SEMH) needs. The relationships built between students and their key workers or TAs continue to be a cornerstone of this success, providing consistency, trust, and personalised guidance each day.

As we move forward, our focus remains on ensuring that every student's journey is carefully planned and thoughtfully supported. Through ongoing One Planning, regular provisions panels, and close collaboration with families, we are able to respond to each child's evolving needs and prepare them for their next steps—whether that involves reintegration into mainstream lessons, exploring alternative pathways, or deepening their engagement within the Enhanced Provision.

We are also strengthening our links between the Provisions and subject specialists across the school, ensuring that students continue to access high-quality teaching and meaningful learning experiences. This joined up approach helps us maintain both high expectations and a compassionate understanding of each student's individual context.

Your partnership is central to this work. We are grateful for the trust you place in us and for the open communication that allows us to support your child effectively. Together, we will continue to build an environment where every student feels valued, understood, and empowered to achieve their potential.

If you would like to discuss your child's support or have any questions about the Enhanced Provisions, please contact us via the [Contact Us](#) page on the Upper Academy website.

A Fantastic Start to the Term!

We're thrilled to share the incredible success of our recent English and Maths GCSE resit results. Our English team has once again outperformed the national average, with a remarkable number of students achieving a grade 4 or above.

Behind these results are stories of determination and hard work, students who gave their all in these exams now have doors wide open to the advanced pathway, apprenticeships, and are one step closer to their future aspirations.

Well done to everyone involved - what an achievement!

Boys' Football Team Secure Home Win

Our Boys' Football Team recorded a fantastic 1–0 home victory against Southchurch High School in a well-contested match. It was a solid all-round performance, with the team showing strong defensive organisation and creating several chances that could have extended the scoreline.

The winning goal was scored by **Ryan.I**, while **Harry.B** was named Man of the Match for an outstanding goalkeeping display.

A great team effort and a well-deserved result. Well done to all involved.

Pupils learn about, and understand, the importance of respecting themselves and others. The personal, social and health education (PSHE) curriculum teaches pupils how to look after their physical and mental well-being. Pupils meet a range of employers and representatives from further education colleges. This helps pupils make well-informed choices about their next steps.

Absence Procedures

Please let us know as soon as possible if your child is unable to attend school, ideally by 8am, by email to upperattendance@basildonacademies.org.uk or by calling **01268 498882**.

- Parents/carers must contact the school by 8.30am each day their child is absent.
- If no reason has been received for a child's absence, the Academy will initiate first day calling.
