Students Inspired by University Visit

Year 12 students studying Social Sciences recently spent the day at Portsmouth University, attending a variety of workshops that allowed them to experience the wide range of courses that Criminology has to offer, whilst having a taste of university life.

"The experience itself was very enjoyable. The tutors were very friendly. The university was very 'Oxford like.' It was both historic yet modern at the same time." Nelly.E

"The visit gave me a real insight into what studying at university would be like. The Criminology and Criminal Justice class was very interesting, learning about different types of crime. The environment inside was very welcoming." Megan.M

"I was really impressed. The tutors explained everything in detail and in an interesting way. The university building is very beautiful and is situated in a really good area. The courses there are awesome." Sabreen.H

"My experience at Portsmouth Uni was incredible. The staff were kind and the learning environments had a good feeling about them. During the Criminology & Psychology lesson we took part in a murder investigation activity which was fascinating." Cosmina.C

Spotlight on: A Level English Literature

English Literature enhances your knowledge of the world and fosters the habit of critical thinking. It helps you to explore psychology and the human condition. English Literature allows you to explore your thoughts and empathetic side. This is a subject where readers are urged to put themselves in other people's situations and experience other people's emotions.

This subject will encourage you to explore the relationships that exist between texts and the contexts within which they are written, received and understood.

Full course information can be found by visiting the following link on our website: [English Literature](#)

There is a clear link between academic success and attendance and as such our expectations for attendance are that:

 - Students should have 100% attendance each year.
- Students with attendance below 95% are of concern.

Absence Procedures

To report a student absence please visit the [Contact Us](#) page via the Basildon Upper Academy website and select the option for Attendance.

- Parents/carers should contact the school by 8.30am each day their child is absent.
- If no reason has been received for a child's absence, the Academy will initiate first day calling.
- Parents/carers must provide medical evidence to support all absences due to illness or medical appointments.
- Wherever possible parents/carers should make appointments outside of school hours but if this is unavoidable students should attend school before and after the appointment.
- If no appropriate medical evidence is provided then the Academies cannot authorise an absence. (ie. medical appointment card, prescription, doctor's letter.)
