- If no reason has been received for a child's absence, the Academy will initiate first day calling.
- Parents/carers must provide medical evidence to support all absences due to illness or medical appointments.
- Wherever possible parents/carers should make appointments outside of school hours but if this is unavoidable students should attend school before and after the appointment.

## Spotlight on: A Level Chemistry

Chemistry is a rewarding but demanding course, which sets the subject within a relevant and modern-day framework. It suits those of you who like to ask the questions 'why', 'how' and 'what' and are keen to find out the answers. The key emphasis is on an enjoyable challenge throughout the course, combining topics which stretch even the most able with a healthy dose of traditional investigative Chemistry where pupils learn the skills of working in a lab hands-on.

Full course information can be found by visiting the following link on our website: [Chemistry](#)

Year 11 students wishing to join our Sixth Form can apply via the following link:
