

Dear Parent/Carer,

Re: After-School Enrichment Programme - Tuesdays, Wednesdays & Thursdays

At Basildon Upper Academy, we are committed to providing every student with opportunities to grow not only academically, but also personally and socially. As part of this commitment, we are delighted to share details of our **Enrichment Programme**, offering a wide range of **extra-curricular clubs every Tuesday, Wednesday and Thursday after school.**

These clubs include a variety of activities to suit different interests, from sports and performing arts to creative workshops, academic support sessions and special interest groups. Each activity is designed to **support students' personal development**, helping them to:

- **Build confidence and self-esteem** through trying new experiences
- **Develop teamwork, leadership and communication skills**
- **Enhance resilience and well-being** by promoting a healthy, active lifestyle
- **Broaden their horizons** beyond the classroom, nurturing curiosity and ambition

We encourage all students to take advantage of these opportunities. Participation in enrichment activities not only strengthens key life skills but also contributes positively to academic achievement and future pathways such as college, apprenticeships and employment.

A full timetable of clubs is on the next page and will also be shared with students during tutor time. All sessions are free of charge and will run from 3:00-3:30 unless otherwise stated.

Thank you for your continued support in helping your child make the most of their time at Basildon Upper Academy. Should you have any questions about the Enrichment Programme, please do get in contact.

Kind Regards

Miss E Child

Enrichment and RSHE Lead Basildon Upper Academy
